On Black Friday and Cyber Monday, we shop. On Giving Tuesday, we give.

Giving Tuesday is a global day of giving, when millions of people support important causes.

With over 134,000 people experiencing homelessness in California, we need your help more than ever!

On average, PATH helps 20 people a week move off the streets and into their own homes, but this would not be possible without supporters like you! **Giving Tuesday, give the gift of home.**

GIVE

"Having a home means security... I'm looking forward to staying in my forever home and enjoying what's to come."

Henry, PATH client

What is the Imaginary Feast?

The **Imaginary Feast** is PATH's oldest campaign that supports our neighbors experiencing homelessness.

No big gala. No fancy clothes. The Imaginary Feast is about using our resources to help move people off the streets and into permanent homes, instead of attending a fancy event.
